# Philosophy for Children for KS1 and EY **ONLINE COURSE**

This course will be delivered via zoom and includes access to additional resources to support practice after the training.

**Date:** Wednesday 23rd September

**Time:** 4 - 6pm

**Cost:** £30pp

Course Aims:

- ❖ To experience and share practical examples of P4C both within the classroom and outdoor setting
- ❖ To provide tools and techniques to use the Philosophy for Children approach with young children
- ❖ To provide and share examples of resources to support future work

We can offer all of our courses as a whole school staff training in your school and support clusters of schools to work together to offer best value.

"I loved the links to stories and outdoors, very Early Years applicable"

  
**SAPERE**

**LTL**  
accredited  
professional

"Philosophy 4 Children has a very high status in our curriculum and this approach to teaching has significantly developed our pupils thinking, reasoning and speaking and listening skills."  
Fiona Richardson – head teacher at Lindal and Marton Primary School
